VOLUNTEER

Volunteer Orientation Process

All new volunteers must attend an orientation before beginning their duties. Please email the volunteer coordinator for a Volunteer Application and information on the next orientation.

Spay/Neuter Transport Program Volunteers

Heaven on Earth has a Spay/Neuter Transport Service and we're recruiting volunteers for driving and administrative help. Transportation is provided for "owned" cats, as well as strays and ferals. Cats are transported to and from the Fixnation clinic (near the Burbank airport). Volunteer drivers use their own vehicles so must carry their own auto insurance. For more information, contact the program coordinator.

Minors (Volunteers under age 18)

Volunteers under the age of 18 are welcome to volunteer with us for certain tasks. Minors must follow the application process but also have a parent/guardian attend an orientation with them and complete a Minor Permission Form. This parental consent is required.
