Our

Stories

At Heaven on Earth Society for Animals, our dream is for all the animals we rescue to find loving, forever homes of their own. The dream comes true for some. For the rest...for those who aren't adopted, we are their home.

You can be part of that home, too, by becoming an SOS Sponsor. The cats in our care have been abandoned, neglected, even abused; some have chronic illnesses. For only 60 cents a day--that's about one latte (or smoothie) a week--you can help a special cat with special needs receive the medical attention and loving kindness he or she deserves.

When you become an SOS Sponsor, you'll receive a personalized sponsorship certificate suitable for framing. And each month, you'll hear from your sponsored kitty with an update and a photo.

It's easy. It's tax deductible. It makes a huge difference in one precious life. And you'll probably be the only person on your street who gets regular e-mails from a cat!

Please consider becoming an SOS Sponsor and share the story of a four-legged friend who won't live with you...but who will live a better life because of you.
